# Commodore's Comments

by Cecil Viverette

October is the last month of the year for our Club. We will be having our Annual Member's Meeting in conjunction with our regular Friday night dinner on October 19. This is an important event and I hope that every member who is available will attend. In addition to hearing reports concerning the Club you will be asked to elect three members to the nine member Board of Stewards. These three members will comprise our class of 2021 and will serve three year terms. The candidates who have been

nominated are Bob Golden, Babs Erny and Julie Traylor. Candi Hough has agreed to be the candidate for the Rear Commodore position. Other Bridge members have agreed to continue to serve in the coming year. The Bridge members are elected annually by the Board of Stewards.

As I reported last month, we are looking at new options for our web site production that would also include replacing Constant Contact. We are still in the evaluation stage but I can say that the product looks promising to those of us who have seen a demonstration.

As this Club year winds down, I would like to thank our Bridge. Board, and members for the support and hard work that helps make our Club a successful and fun organization.

## President's Report

by Mary Ann Compher

### What a Great Time!

Our last meeting was cancelled due to the evacuation for Hurricane Florence. We were fortunate this time.

The next meeting will be held on Thursday, October 11, 2018 at the Yacht Club of Hilton Head. Lunch will be served at 12 noon with our meeting following at 1:00 pm. Please email me if you will be attending lunch. I need your response by Tuesday, October 9th.

The nominating committee has finalized the new officers for the coming year. This committee consisted of Arlene Walker, Janet Gillespie, and me. They will be voted on at this meeting and take over in November.

We still need someone to step up and be the bartender coordinator. Pat Foley has been doing this job for at least ten (10) years. Many thanks to Pat for her continuing support of the club and NautiLadies. Please let me know if you are willing to help.

Cheers!

# The Ship's Store

Hello from the Ship's Store

## Check out the Ship's Store

*by Betty Bush*

As for now, I have just gotten 'boat bags' in two sizes and a great quality that you simply can not be without! Also I have attractive, adjustable aprons that are suitable for men or women and have the Yacht Club's logo embroidered on them. Stop by the store. It is open every Friday evening.

Y'ALL COME  
BACK NOW!

## Committee Report

### Racing

Once again dinghy racing is off to a slow start in the Fall. Our Sept race weekend was cancelled due to a combination of equipment issues and lack of enthusiasm among the rest of the fleet.

Our next two race weekends are in conjunction with the "big boats" at both the Ocean Challenge at SCYC October 6 & 7 and our own Calibogue and Harbour Town Cups October 13 & 14. I hope we get a good fleet turnout for both.

No decision has as yet been reached on adding a race day in October or November as not enough of the fleet has been together to get a consensus.

### FS boat status update

- **Wexford:** My boat 3428 and the YCHHI white Scot are still in the water at Wexford Harbor. Both need to be moved soon either to race in the SCYC race or cleaned up for other use. Wexford Harbor is still ok with us using their harbor between weekend race days as needed.
- **Club boats:** Norm says the blue boat is ready to go with just a little effort. The red boat is still in need of a lot of TLC and will not likely be available this season.
- **Private boats:** Henry needs a new bunker board for his trailer but says it can be ready any time. Demetri is back and wants to sail! Cameron's boat is set to go and he hopes to race the OC. No one has heard yet from Marty but he was supposed to come back by the first week in October.

### Thank you

The club and the fleet want to thank those who pitched in to help in getting the club boats and trailers ready for the hurricane threat and for fall sailing.

**Hap Todd** bought new wheels for the white trailer and put one on before he left for Sicily. **Cameron Henderson** and I finished the job just before Florence but thankfully we did not need to use it. **John Traylor** and **Mark Falkenstien** both answered the call and with me and Cameron helped get boats and trailers realigned and ready on September 26. And, of course, thanks to **Don, Hap and Norm** for keeping up with their respective club boats, Red, White, and Blue!

 Ocean Challenge  
Oct 6th and 7th

 Calibogue Cup - Oct 13th  
Harbour Town Cup - Oct 14th

YCHHI Regatta Weekend is October 12-14.

The regattas are expecting sailors and entries from big boats in spinnaker and non-spinnaker classes as well as Flying Scot and Harbour 20 racing within their class. And, all races will be just off Harbour Town and a real sight to see. We have more volunteer participants this year than ever and a line up of events that all club members are invited to join. On Friday, the 12th, is the Skipper's Meeting during our regular evening cocktail hours. Come and greet sailors. Following the races on Saturday, there will be pizza and beer at the clubhouse and a dessert treat for sailors, volunteers, and you're invited! Sunday at about 5:30 in the afternoon the awards and closing ceremonies will be held under the liberty oak in Harbour Town. Folks usually hang around and enjoy an evening of fun and frolic. You're invited.

Just a reminder, races start at Noon on Saturday and at 10:00 AM on Sunday. Come to the Harbour and meet YCHHI's friendly Dock Walkers that will share the excitement with you. They will be standing by on the far end of the Harbour Town docks.
