# Commodore's Comments

The lazy days of summer are here!

Our club continues to improve and to meet member expectations. We have active boating events and an enjoyable social calendar. All of us look forward to our Friday night dinners. We are fortunate.

We had the all member meeting last Friday. We discussed the improvements to the club and the finances.

We have a new web site and if you haven't looked at it, check it out: <https://yachtclubhh.org>. You can see our calendar of events, the full menus for the month, and other important club information. Many, many thanks to Carol Lang for being the web master for so many years. Carol did a great job.

The Long Range Planning Committee will be meeting in August and will be discussing the future finances of the club and potential capital improvements. The good news is – currently the club is in the black and we have modest reserves. The not so good news is that we really do not have enough in reserves were there a major problem or if we wanted to make a significant improvement in the club. Good leadership requires that we look to the future health of the club and anticipate and plan for the future.

Get ready for a very active fall. We will continue with our boating activities and we will be preparing for the Regatta Weekend. Club participation for the Regatta Weekend has been impressive and we are looking forward to the races. The Hook Race will also take place in October and our club is one of the sponsors. Sailors!!!! Let's win one for the club!!!

## President's Report

Our July meeting was held on the 11th. We enjoyed a wonderful lunch prepared by Terry before getting down to business.

We agreed that we will polish the trophies for the Regattas immediately following the September meeting.

Julie Traylor discussed the cruise on "Harmony of the Seas," a mega ship leaving January 26, 2020 from Port Canaveral with 3 Caribbean stops: St. Maartin, Puerto Rico and the cruise line's private island. Reservations can be made for theatre productions while on the cruise. A recent Constant Contact was sent to the membership to remind them of the opportunity. Interested people should contact Julie for additional information, including costs and to sign up. To date three couples are planning to take the cruise.

I will contact the Fire Department and ask if the chief will speak at the NautiLadies October meeting. His focus would be medical emergencies. Spouses and guests will be invited to attend.

Our next meeting will be August 8th and follow the pool party at Frances Viverette's: 3 Legacy Ct., Indigo Run. Please wear your swimsuit and be prepared to get wet. Members are asked to bring a dish to share that would serve 8 people. Let Frances know if you are coming so she can obtain a gate pass for you. Please park **"ON"** the pavement. With limited parking, carpooling would be advisable.

## **Regatta Weekend Volunteers Needed Oct 11-13**

We need volunteers to help with all aspects of our annual Regatta Weekend and invite members, including landlubbers, power boaters and sailors, too, to help us make the October 2019 event the best ever! There are opportunities for everyone.

**See Jean Hillenbrand or Hap Todd to sign up.**

## **YCHHI Members Welcome at the Harbour Town Yacht Club**

The YCHHI and the HTYC are both members of the YCOA, Yachting Club of America. Members of the YCOA have various levels of access to yacht clubs all around the country.

The HTYC is located in the heart of Harbour Town. The club bar is open seven days a week from four in the afternoon. It's a great place for a break during a visit to the attractions of Harbour Town.

YCHHI members should have in hand their YCHHI membership card as well as the Yachting Club of America membership card to facilitate their visit. Cards are available for YCHHI members at Friday night dinners or by contact with the club secretary, Kathe Golden.

Links on our website provide information about both the Harbour Town Yacht Club and the Yachting Club of America.

## July Power Boat Trips

July was an interesting month for our power boaters. It began with two boats and 14 members braving the choppy waters of Port Royal Sound to attend our last dinner cruise of the year at Saltus in Beaufort. It was an amazing cruise. Two foot waves and an easterly breeze on a slack tide resulted in salt spray over the starboard bow. Foul weather gear and towels were not in evidence as the cruisers' faith in the organizer's weather forecasting was shaken to its very foundations. Nevertheless, we arrived only 15 minutes late for our Saltus dinner which was, by the way, excellent. It was an added bonus that we were joined for dinner by Captains Jim Landis and Mike Roe and their crews who had come over under sail earlier in the day. Our return cruise was somewhat less bumpy and far less damp. Consensus: crossing Port Royal Sound for a dinner cruise will be further evaluated!

In the latter days of July, the ever popular Tubby's Tankhouse was the lunch destination. Beautiful weather, calm seas and moderate temperatures greeted the three boats and 16 members. As always, Tubby's greeted us with great enthusiasm, over-the-top service and great food. After lunch, as usual, each boat found its own way home, with Bobby Golden racing to the lead and never seen again. *Aye Candi* remained a distant second until overtaken by Captain Shkor's *Back Again* at R "32". As it always has been, our trip to Tubby's was among the most enjoyable of the season.

Next Up: August 6 lunch cruise to Tybee Island's AJ's led by Captains Bobby & Kathe Golden. First calls already sent.

## FUN(d) Events

July was a bust for the planned first ever Watermelon 🍉 Fest which was cancelled due to low registrations. Disappointing 😞 but we realize many members travel, have visitors during the summer months; it's just a busy time. ➔ 🧑🏻🧑🏻

Our August event is undecided and open for ideas. Suggestions include a homemade ice cream 🍦 challenge and/or men's bakery bites 🍰 challenge, comedy and/or music performance 🎤 night, Trivia or BINGO night. More suggestions can be made asap to [cjhillen46@gmail.com](mailto:cjhillen46@gmail.com). Details will follow on Constant Contact so keep an eye 👁 out for them.

We could always use a volunteer Host for a Host and Toast 🍷-contact [cjhillen46@gmail.com](mailto:cjhillen46@gmail.com). Remember, all the \$ FUN(d) raises is added to the club treasury.

Questions? Please contact Jean Hillenbrand (317) 997-9746 [cjhillen46@gmail.com](mailto:cjhillen46@gmail.com)

# Winter Cruising Plans

Several members have the same idea of getting out of the cold of January and into warmer waters.

Sonny Compher along with family and friends are planning a cruise on the Mariner of the Seas on January 6, 2020. This four day cruise leaves from Port Canaveral and heads to the Bahamas. Talk to Sonny if you would like to join him or for more information.

The Nauti Ladies are also planning a winter cruise on Royal Caribbean's Harmony of the Seas leaving from Port Canaveral January 26, 2020 and cruising the Eastern Caribbean for seven days with three stops: St. Maarten, Puerto Rico and the cruise line's private island. Contact Julie Traylor ([julie.traylor17@gmail.com](mailto:julie.traylor17@gmail.com)) or 440-897-8710 for a quote or for more information.
