Commodore's Comments

by Mary Ryan

thanks to Mike Gilroy for all of his herculean efforts to complete the new handbook.

See Something – Say Something

On the bulletin board is a new list of club tasks or items to be fixed. If you have a little time to do something, sign up for a task and set a date when you think you will complete the task. If you see something around the club that you think needs some attention, please add it to the list. As an all volunteer organization, we want to maintain our club and we will.

Club Update

In the past one of the commodores did quarterly updates on the club (an all member meeting with power point slides). I learned a lot from those updates. In the long range planning survey the members said that the Board of Stewards could do a better job of communicating with the members. On January 25, 2019 at 5:00 PM I will do the first of the Club Update meetings. Hope that you will be able to join us.

We have a great club and super members. Thanks to all of you and a very Happy New Year!!!

What a fantastic Christmas party we had!!!! Over 70 people attended the gourmet dinner event. Thank you to the Nauti Ladies for decorating the club and to Pat Harris and her team for the wonderful dining experience. Santa even came to the party and was wonderfully entertaining.

The club has paid off the loan with the club's reserves. This is big news. We are debt free. We have a 30 thousand dollar line of credit that can be used if needed. Our goal is to again build up our reserves.

The Board of Stewards approved a new outdoor sign for the front of the club. We are still discussing the design of the sign.

You will be receiving a new handbook early in the new year. The new handbook will have the updated by-laws and up-dated membership list. Many, many

President's Report

by Carol Lang

Thanks to Diane Stortz, Frances Viverette, and Anne Landis, our Annual Nauti Ladies' Christmas Luncheon was a great success. Forty-two members and guests enjoyed the ambiance and lovely views at the Harbour Town Yacht Club on December 13. After our fine meals, Marilyn Owen led us in a very clever game, and three lucky ladies came away with prizes.

We've certainly enjoyed our own club with its festive decor and delicious dinners prepared by Miss Pat. Now in a blink of an eye, the holidays will be over. I know there will be a tremendous turnout for New Year's Brunch on January 1 from 11:30-1:30. Then on January 3, it will be time to take down the decorations and tuck them away until next year. All are invited to the club to get it ready for 2019 in a timely manner. Thanks to everyone who decorated on December 1, especially Frances & Cecil Viverette who lead the charge.

Linda Bange, along with her able assistant Deb Pepe, will be taking over as our activities director in 2019. Many thanks to Marilyn Owen for her many years in this position. We all have happy memories of the clever events she planned for us. Anyone having some interesting ideas as to new activities should now get in touch with Linda (Lbange@gmail.com).

Our next meeting will be January 10. More about that later. . . Please wish Betty Bush a happy birthday on January 19.

All best wishes to everyone for a happy, healthy, safe 2019!!

YCHHI Members Welcome at the Harbour Town Yacht Club

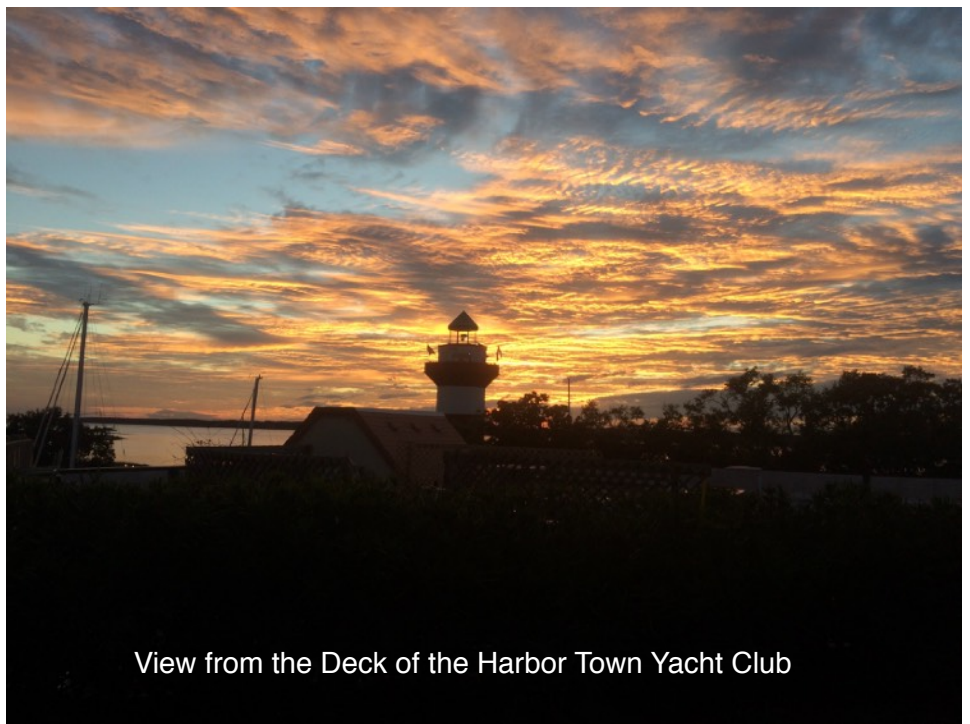

by Jim Landis

The YCHHI and the HTYC are both members of the YCOA, Yachting Club of America. Members of the YCOA have various levels of access to yacht clubs all around the country.

Recently a number of our members visited the HTYC. The HTYC is located in the heart of Harbour Town. The club bar is open seven days a week from four in the afternoon. It's a great place for a break during a visit to the attractions of Harbour Town.

YCHHI members should have in hand their YCHHI membership card as well as the Yachting Club of America membership card to facilitate their visit. Cards are available for YCHHI members at Friday night dinners or by contact with the club secretary, Kathe Golden.

Links on our website provide information about both the Harbour Town Yacht Club and the Yachting Club of America.

Fellow Scot sailors and other interested sailors

I am calling a fleet meeting

Date January 19th , a Saturday

Time Noon

Place YCHHI

I plan for us to order some pizzas when we all get there and to get the bar open at least for soft drinks, beer and water

The agenda is:

- **Get feedback from the sailors on the races held in 2018,**
- **Recognize the winners from 2018,**
- **Work on a schedule for 2019.**

Skippers, if you are unable to attend, please let me know, and also provide me with what feedback you can on what you would like to see in 2019, especially what dates you and your boat would be unable to race due to travel or other conflicts.

Please forward this email to anyone who might be interested in small boat sailing

Notes

- **We usually meet in January as it is best for us meet as a fleet to work out a tentative schedule prior to the SAYRA meeting. That meeting will be held the next weekend here on HHI again. If any are interested in attending that meeting, go to their web site. I believe the meetings are at no costs and open to all, but check on that to be sure.**

Happy New Year to all
