Maintenance

The kitchen has been deep cleaned. Ceiling and walls have been washed. Cupboards and shelves have been washed. Ovens and vents cleaned and so much more! We still have to get the floors cleaned.

There has been a leak in the glass ceiling near the bar area. It was caulked but the leak persisted. Sonny has arranged for new flashing around the entire area to correct the leak. Thanks, Sonny.

New Sign

The club will have a new outdoor sign by the end of February! The old sign had seen better days and needed to be replaced.

Social

What a great Soup Smackdown and Dessert Dare event. Approximately 28 members enjoyed 6 different soups and four desserts. Many, many thanks to the chefs and to the FUN(d) Committee. It was a wonderful evening.

So many good members make our all-volunteer club a success. Thanks to each of you who have contributed to the club.

The Club has contributed (so far) \$3420.00 to the Coast Guard to help the young men and women caught in the government shutdown. The Italian American Club contributed \$500 and the Grady White Club also made a generous donation. Thank you to each and every member who contributed.

New Members

Please welcome Ron and Elaine Racine, Jan Garigliano and Lynn Hassett to the club. Both couples know Babs Erny who brought them to the club.

Changes

Heartfelt thanks to Betty Bush, Marilyn Owen and Mike Roe. Betty has taken care of the Ship's Store for the last ten years! Our new Ship's Store committee chair is Marty Daniels Cohen. Thank you, Betty!

President's Report

Our first meeting of 2019 was nicely attended with members enjoying another one of Miss Pat's wonderful lunches. After lunch we were treated to a very informative talk by Mary Briggs, President and CEO of the Hilton Head Symphony Orchestra. The opening of SoundWaves has provided an exciting and varied musical/entertainment venue closer to the South end of the island. And, interesting to note, the Symphony at First Presbyterian now draws as many people on Sundays as they do for the regular Monday night performances. Do log into HHSO.ORG to see the latest news of their future events.

Many thanks to all who helped take down the Christmas decorations on January 3. Our club is now back to normal, just awaiting the next holiday.

Jeanne Christenson ran a very successful 50/50 at the January 18th dinner. John Lang won half & donated his winnings to the Coast Guard families who are so direly affected by the government shutdown.

Linda Bange & Deb Pepe are planning some fun events for this year. More about those later . . .

The Greeters for January & February are:

January 18 - Frances Viverette

January 25 - Cathy Todd

February 1 - Andrea Shotz

February 8 - Babs Erny

February 15 - Betty Bush

February 22 - Carole Moore

January Birthdays are:

Betty Bush & Linda Harris

We look forward to seeing everyone at our next meeting on February 14.

SUPPORTING THE LOCAL COAST GUARD

Of the \$ 4075 of cash and checks referred to below..... the YCHHI contributed \$1135.... and we as well as others are still collecting checks, cash, gas cards and grocer cards for delivery next week.

With the government shut down the Coast Guard falls under Homeland Security did not receive their pay on the 15th of January, and may not any time soon. We are reaching out in an effort to provide support. To help the men and women who put their lives on the line every day for us. If you can help they will appreciate your kindness and support. We are attempting to help the 175 local Coast Guardsmen in the Savannah area. They are located at Station Tybee, the MSU Unit in downtown Savannah and the Air Station located at Hunter Army Airfield. PLEASE KEEP IN MIND OUT OF THE FIVE MILITARY BRANCHES, THE COAST GUARD IS THE ONLY ONE NOT GETTING PAID. Here's a great way to get involved with what will be one of most important support projects of the new year.

Here is what was collected and delivered to the Coast Guard Air Station: gas cards and food cards = \$1,425 cash and checks = \$4,075. A huge thank you to those who have already given. i delivered \$5,500 to commander Erickson Thursday (January 17th) morning . He was literally shocked with the amount . He indicated he never expected that kind of response/support.

YCHHI Members Welcome at the Harbour Town Yacht Club

The YCHHI and the HTYC are both members of the YCOA, Yachting Club of America. Members of the YCOA have various levels of access to yacht clubs all around the country.

Recently a number of our members visited the HTYC. The HTYC is located in the heart of Harbour Town. The club bar is open seven days a week from four in the afternoon. It's a great place for a break during a visit to the attractions of Harbour Town.

YCHHI members should have in hand their YCHHI membership card as well as the Yachting Club of America membership card to facilitate their visit. Cards are available for YCHHI members at Friday night dinners or by contact with the club secretary, Kathe Golden.

Links on our website provide information about both the Harbour Town Yacht Club and the Yachting Club of America.

Flying Scots

Jim Vaughn
Fleet Captain Flying

Flying Scot Fleet 134 held a meeting at the YCHHI on 1-19-19. Also invited and attending were officers from YCHHI and anyone interested in small boat sailing and race committee. Approximately 20 people attend including 5 of the 7 active Flying Scot skippers, the Commodore, Vice Commodore, and PHRF fleet captain(s) of YCHHI.

The meeting agenda along with this summary of the meeting is being emailed all attending the meeting and all other FS fleet members.

The meeting was moderated by Jim Vaughn FS3428 and 2018 fleet captain

The meeting began at noon. The first order of business was introductions and getting the pizza ordered!

The second order of business was to present an engraved Julip cup to the winner of the 2018 Ed Gibbs Trophy John Singleton. John acknowledges his crew, both his children, and to help provided by Hap Todd and Henry Schultz in getting the white YC Scot in condition race this fall. Another special trophy, another engraved Julip cup was presented in absentia to Cameron Henderson as recognition of lifetime achievement and support of the Fleet 134.

Jim made note of the entire item on the agenda and asked that there be free discussion on the agenda items and any other item that any of the attendees wished to discuss.

Flying Scots

Jim Vaughn
Fleet Captain Flying Scots

All the items on the agenda were discussed and all attending skippers spoke.

Jim started the discussion by announcing the he is due for knee(s) surgery in March and will be unavailable to sail or help organize fleet racing this spring

There was a majority of skippers present but no formal votes were taken

However consensus was voiced of and/or for the following:

- Current active skippers attending were, Jim Vaughn 3428, Henry Schultz 4920, Marty Otten 1983, Norm Sholtz YCHHI blue, John Singleton YCHHI white
- Other skippers acknowledged as active but not attending are Cameron Henderson 193 and Demetri Telionis 2680
- Hap Todd and Norm Sholtz are taking responsibility for the white and red YCHHI boats respectively
- Marty Otten(Miss Molly) will be off HHI from the third week of June to the second week in October
- No races are yet scheduled for the spring but John Singleton will act as point of contact with other fleet members to try to schedule spring racing
- South Carolina YC is holding a spring race May 4&5 and the FS fleet will count these races towards the Gibb trophy if at least 3 FS participate
- A fall race schedule will not be established until at least summer time to allow fleet members and RC more flexibility and participation in scheduling fall races.
- There was discussion about race committee for both FS and large boat races and the need for both. Attendees, Al Pepe, Aubrey Vaughn and Deb Pepe were noted as possible RC members for spring racing.
- There was constructive discussion of ways to get additional participation in sailing in general and FS sailing particularly
- Mark Dryden, Wexford Harbor Master, indicated that Wexford is again willing to work with YCHHI on staging at Wexford Harbor between races. He also request for one FS for Wexford's junior sailing program again this summer and 3428 was volunteered for that purpose. Mark also will work with YCHHI members to have access to that boat for day sailing use while it is at Wexford
- In between discussions pizza was enjoyed. Soft drinks were provided courtesy of YCHHI. \$64 was donated for the pizza which cost \$39.00. The overage will be used to offset some of the cost of engraving of the 2018 FS trophies

The meeting was adjourned at around 2pm

Welcome New Members!

Jan and Lynn

When not spending winters on Hilton Head, Jan Garigliano and his wife Lynn Hassett reside in eastern Long Island where they are long-time members of the Sayville Yacht Club. Jan is a past Commodore and enjoys playing tennis and golf. Lynn is an avid pickleball player and they both enjoy boating on their 32' Sea Ray.

Ron and Elaine

Ron and Elaine Racine are part time residents of Hilton Head Island and are looking forward to a great relationship with the members of the YCHHI. Both were born, raised, and raised their own families in Massachusetts. Between both they have five(5) children and ten(10) grandchildren. In their working

careers, they held various positions with an electric utility. They also owned a private homecare company assisting older adults in their homes. They have since retired and sold the business. They have settled in the Newport, Rhode Island area, and enjoy anything related to the ocean and the seaport amenities. Over the last decade, they tried out different areas to vacation and "snow-bird" until finally settling into the Hilton Head Island community. They've owned/sold a couple of single family homes in Hilton Head, and now reside in a villa in Sea Pines. They have two (2) Goldendoodles dogs and they are registered therapy dog teams. In addition to above, they like golf, pickleball, biking, and yoga. Both are avid fans of New England sports teams.

Thanks to Mike Roe for his work on the Main Sheet for the past five years. I am assuming the duties of editor and welcome your comments and suggestions.
