Commodore's Comments

Hello June!

I want to thank Brian
Plonski for cleaning the
skylights and replacing light
bulbs in the dinning room.
Also, Deb Pepe for
adopting our deck. As you
all know, this is a volunteer
club and I thank all of you
for pitching in.

This club has become our family and we are missing many of our family members. Please come back to us.

The Board of Stewards is currently investigating the use of credit cards for club payments. This will probably not be for single purchases such as drinks or items from the Ship's Store. The idea is to use credit to pay monthly bills or boat storage. We will have more on this later when we have worked out all of the details.

We had a great time at the races! The Derby Party was a great success and the

food was great. Shari
Manning won the hat
contest with an elaborate
matching outfit she must
have pulled out of her
costume closet. Thank you
so much for participating
and bringing you're Agame.

We will have a Host and Toast on June 4th. Steve and Linda Strelcheck are opening their home to us. In addition to food and socialization they have various other activities on their property. Be sure to sign up by the final date so you will be able to get into Moss Creek.

We are all very busy during the summer with company, travel and boating, etc.
Please take care of yourselves! Be sure to get your Covid boosters as the disease is still out there.
We love you and do not want anyone to get sick.

Sailing News

Jim Vaughn

Up north the sail boat racing season is just getting started while here in the Low Country it is winding down. With the onset of summer, the days will be getting hotter and the winds are fickle, especially in the Calibogue and Port Royal Sounds. While you can often depend on a sea breeze coming in from the ocean at 14:00 or so often in never makes it up the sounds.

While these conditions make it challenging to run a race, it doesn't mean it is not a good time to cruise, just make sure your engine is working. Take your boat out in the afternoon or early evening. Put some burgers and shrimp on the "barby "and with one hand the tiller or wheel and the other wrapped around you favorite libation you will be transported out of the this humdrum world into another.

NautiLadies

The NautiLadies met on Thursday, May 18, 2023. Vice President, Debbie Plonski, led the meeting at 1:00 PM.

Since there were few members present, the usual reports were not given.

There was discussion about setting the date for the Annual Christmas party that will be held in December on a Friday at a regular dinner. A committee will search and see what other events fall on a Friday and come together with the best date.

Several NautiLadies are needed to reorganize the linen shelves in the dining room cabinet with or without plastic storage bins.

We need help from the club members to be greeters for the month of June and July. The greeter for June 2nd will be Mary Ann Compher. Greeters are needed for:

June 9 June 16 June 23 June 30

If you are willing to help, please contact Mary Ann Compher at (843) 681-5457 or by email at - sonnyc2@juno.com or Debbie Plonski at dlplonski3@aol.com or (216) 396-3760.

Many thanks in advance for everyone's help.

Next meeting: June 8 at 1:00 PM

We do not throw away perfectly good food in this house.
We put it in tupperware until it goes bad, THEN throw it away.

Remember, if you lose a sock in the dryer, it comes back as a Tupperware lid that doesn't fit any of your containers.
