# Commodore's Comments

Dear Fellow Members,

I want to thank everyone who came out to help clean up the outside of the club. I know you have your own homes to deal with and it is hard to take time to clean elsewhere so I want you to know I really appreciate it.

We will be having a Kentucky Derby watch party on May 6th. As you remember food is pot luck and this year we are planning on having heavy appetizers. There will also be a Mother's Day Brunch.

More details on both of these events will be coming out soon.

The Board of Stewards is working on increasing membership. If you have any ideas how this could be accomplished please email me or talk to me when you see me.

I am looking forward to this boating season and want to thank everyone willing to take us on all of our thrilling adventures on the water.

Kathe Golden

Thank you to all those who helped with both the inside and outside clean up days. The club is looking great.

# Sailing News

Jim Vaughn

Sadly there is not anything to report on YCHHI sailing. Your sailing organizer (me) has been sidelined with some personal issues and has not been energetic enough to get anything we discussed at our January meeting off the starting line. In most cases no news is good news but in this case it is just no news!

Here is hoping the winds will shift and we can get something going for the summer. Sailing is a sport for optimists!

**TBD**

The skippers who have agreed to take other members out on their boats for some fun day

sailing are still working on getting their boats ready. The club will send out emails when we know they are ready to participate and we can get the activity started for 2023.

## **Local area events**

Charleston race week just concluded to great success. I encourage interested sailors to Google Charleston Race week. There are several good reports on the regatta.

## Power Boating Bats .500 for April

Well, we're 1 for 2 on the April Power Boating calendar. The weatherman knocked us out of a lunch cruise to the Cottage on April 10, but we scored big time on our cruise to Huey's in Savannah on April 24.

Coming up in the month of May, we'll be going to the Old Town Dispensary on May 9 and the Flying Fish on May 23. Mark your calendars so you don't book something else on those Tuesdays. Remember we've got two cruises per month through October, and Dave Shkor has got a couple of surprises up his sleeve that everyone will enjoy.
