### MESSAGE FROM THE COMMODORE

Our new steward, Lindsay Burnett, took over two weeks ago and has served two meals with raving reviews. I also got a call from the Sunset Rotary Club complimenting her on last Monday's meal. Lindsay will be a great addition to our family. Last Friday we had 74 for dinner. If you haven't been to the club recently, please come and enjoy. We will be having a Lobster dinner on the Friday, August 17<sup>th</sup>, so make plans for that evening. The Food and Beverage committee has more great meals planned in the coming weeks. Please look for the e-mails from Suzy, who will entertain you with details you won't want to miss.

The proposed dock survey was recently completed by Coastal Survey Company and shows that the extended property lines do not extend far enough into Broad Creek to get a permit. At this time the dock is tabled. The board is looking into expanding the deck behind the dining room/bar. We have plans that were completed several years ago. I hope that we can expand this area to keep the club moving in the right direction to attract new members. When we completed the rear deck/back steps, this was done by volunteer labor and we could complete the new addition the same way. This would also make the window problem behind the bar easier to repair.

Due to the resignations of former board members, Doris Broere and Robbie Nichols, Anne Landis and Philippe DeLangre will fill their terms.

The beer can races have resumed on Thursday evenings at 6PM. We will be moving the time to 5:30PM to get the boats ready for sailing. Last week we had approximately 12 members and guests show up for a great time. We will be having these races every other Thursday, so please join us on the 2<sup>nd</sup> of August at 5:30PM. Saturday, August 4<sup>th</sup> we have scheduled another Small Boat Saturday. Lunch will be included. We plan to start at 11AM.

# NAUTILADIES

We did not meet in July. Instead, we went to Marilyn Owen's home for a swim party. We had good conversation, exercise, and food. Maybe we can do this one more time this summer. Let me know if you would like to do this. Marilyn is a willing hostess.

The Nautiladies would like to welcome Lindsey, our new steward. The meals she has prepared have been delicious!

We need a greeter for August 3<sup>rd</sup>. . . . .any takers? Contact me if you would like to welcome all the members and guests returning to the Club for a wonderful meal.

The ACE Basin tour is filled for the morning tour beginning at 10:00 AM. Captain Stan will do an afternoon tour beginning at 2:00 PM. If you would like to do that, get in touch with me. We'll see if we can fill the afternoon tour as well.

Our next meeting will be August 10<sup>th</sup>. Lunch will be available at noon and the meeting will begin a 1:00 PM.

See you at the Club!

DON'T LABOR ON LABOR DAY!!!

YCHH LABOR DAY COOK OUT  
SEPTEMBER 3' 2012 4:00PM

JOIN us on Labor Day for a fantastic Labor Day Picnic at the YCHH. There will be old fashion picnic food and games. There will be pair games involving very little skill. Find your partner early; the good ones will go fast! There will be cash prizes. The games will promote friendly competition with a lot of enthusiasm. Finally, it's the last chance for all you displaced people from the North to wear white and straw hats. For those of you from below the Mason-Dixon Line the question is" What the heck is he talking about?"
